## EXHIBITIONS AND CONFERENCES INSURANCE

*If you have ever organised an exhibition or conference you will know how difficult it can be to protect yourself against any number of things which may go wrong; bad weather may force you to abandon the event, property for which you are responsible may be lost or damaged, or a member of the public may be injured.*

**Because you do not want to be bothered with buying separate insurances, Able Insurance Brokers Pte Ltd offers you Exhibition And Conference Insurance. This package covers financial protection from the very first day that expenses are incurred right through to completion of the event.**
